26	4.4 Collection of data	“4.4 Collection of data” skal fjernes og flytt vedlagte avsnitt nederst til “4.2 data collection” Kvale and Brinkmann (2009) points out that it is important that the researcher has good knowledge of the topics covered by the interview. I work as a coach in Stabæk football and have worked with player development for 8 years. I also have a good overview of research and theory in the field, which might be a good starting point for planning and conducting good interviews, and strengthening my analytical control (Andersen, 2013).
----	------------------------	---

På side 26 ble overskriften “4.4 Collection of data” skrevet i to versjoner, og skulle derfor vært fjernet. Vedlagt tekst skulle vært under “4.2 Data collection”:

Kvale and Brinkmann (2009) points out that it is important that the researcher has good knowledge of the topics covered by the interview. I work as a coach in Stabæk football and have worked with player development for 8 years. I also have a good overview of research and theory in the field, which might be a good starting point for planning and conducting good interviews, and strengthening my analytical control (Andersen, 2013).
